At this point your £200 refundable security deposit should also be sent. Please post date security deposit cheques 14 days before to arrival. These will be cashed and a refund made within 7 days of departure

Change over day is Saturday for all cottages and Sunday for Le Manoir and Ker d'Or unless otherwise arranged – arrival after 4 p.m., departure before 10 a.m. If these timings are not convenient, please let us know and we will do our best to help.

Our prices do not include any personal insurance for you and your party, so please do ensure before you arrive that you are fully covered for travel cancellation, accidents, ill health, personal liability etc. Please ensure you have obtained your 'European Health Insurance Card.' You will be covered with this, through the reciprocal European arrangement and depending on the type of medical emergency, for between 60 -100% of essential medical treatment while in France, your own insurance should ensure you are fully covered. Please note that it is usual in France when receiving outpatient treatment to pay for the treatment and subsequently claim back the proportion you are entitled to. Ask for details from 'Chez Nous' Travel Service (Tel.no.above) In the unlikely event that we have to cancel your holiday (due to fire, flood or other circumstances beyond our control), our liability is limited to a complete refund of your rental fee. We will be happy to advise about action to be taken with any receipts from medical treatment.

Electricity, Gas and Water are all included. Duvets, English sized pillows, bed linen, tea towels and bath towels are provided, but NOT pool and beach towels.. Towels from Kerdeven must not be used by the poolside or taken to the beach. If you are staying in a house with a wood -burning stove we are able to supply wood at an additional cost of 17 euros a wheelbarrow load.

Your holiday home will be clean and fully equipped on arrival, and we ask that you leave it in a clean and orderly condition. Payment for any breakages and damage will be deducted from the security deposit, as will any excessive cleaning charges should they be found necessary.

Considerate smokers are welcome.

Cots and high chairs are available at no extra charge, but please ensure you inform us in advance. We do not provide cot linen. Please give us as much notice as possible.

For Insurance reasons, all children must be under the supervision of an adult when using the swimming pool, trampoline, climbing frame and other leisure facilities at Kerdeven. There is safety fencing around the pool and the catch on the gate is out of reach of small children. Please do not allow children into the pool area unless you are with them. All children are the responsibility of their parents at all times when on site.

If travelling on Sunday please remember that almost all shops will be closed. A few open on Sunday mornings. Except on motorways (payage) there are very few petrol stations open on Sunday and over-night. There are no motorways in Brittany (although there is a good network of dual carriageways). Please remember if traveling at these times to fill up your car in the port area or before leaving motorways, usually before you travel south of Caen. Although there are many '24 hour' garages, including at supermarkets, these are usually unmanned and rarely accept credit/debit cards other than French.

Steve Smith – Manoir de Kerdeven, 22110 Plouguernevel, France.
